

I have been disheartened and indeed outraged by plans to allow large corporations to monopolize news media outlets in large markets. My radio dial currently offers virtually one opinion, and it is an angry (hate-filled!) conservative perspective, sadly shared by most large corporations. I would cite as examples (and they are by no means the only ones!), Rush Limbaugh, Michael Savage, Sean Hannity and Oliver North (felon!), This country can not survive without free, open, and unrestricted access to ALL points of view- ESPECIALLY those opinions not in the "majority". I urge you in the strongest terms not to allow this, and to encourage a more balanced presentation of news, information, and opinion. Do not permit the wealthy to control all forms of public access to information, for it will truly weaken this country. Thank you for your consid
